ABOUT US

- JKKN College of Pharmacy, located 2 km east of Kumarapalayam along NH-544 in Tamil Nadu, was founded in 1985 by the visionary Shri. Late. J.K.K. Natarajah. Part of the J.K.K. Rangammal Charitable Trust, which began in the 1960s, the college has grown into a leader in pharmaceutical education. With a commitment to empowering students and advancing healthcare solutions, it offers B.Pharm, M.Pharm, Pharm.D, and Ph.D. programs, recognized by the Government of Tamil Nadu, PCI, and affiliated with The Tamil Nadu Dr. M.G.R. Medical University.
- Ranked among the top 50 pharmacy colleges in 2016 and accredited with a NAAC A grade, the college fosters innovation through cutting-edge research, advanced AI integration, and hands-on learning. The institution's state-of-the-art infrastructure and qualified faculty drive excellence in education and research. Through industry collaborations and AI-powered simulations, students develop essential skills to excel in the evolving healthcare landscape, preparing them for impactful careers in global pharmaceutical sciences.
- The college stands at the forefront of pharmaceutical education by offering a comprehensive curriculum that bridges theory with practice. Students gain real-world exposure through industrial and hospital training, project-based learning, and design thinking methodologies. With a focus on global healthcare challenges, the institution nurtures critical thinking, problem-solving, and digital literacy, equipping students to adapt to modern pharmaceutical trends.
- A movement inspired by Shri. Natarajah's vision, JKKN College of Pharmacy continues to shape leaders who will redefine the future of healthcare. Whether your goal is to innovate pharmaceutical solutions, contribute to global health advancements, or make a meaningful impact in the world, JKKN College of Pharmacy provides the knowledge, inspiration, and resources to help you realize your potential.

OUR ENDURING FOUNDERS

SHRI.J.K.K.NATARAJAH

FOUNDER OF J.K.K.RANGAMMAL CHARITABLE TRUST

In the 1960s, female children in Kumarapalayam had to walk 2.5 km to the nearby town of Bhavani for schooling. Some parents hesitated to send their daughters, while others ceased their children's education altogether, resulting in them staying at home or working in handlooms and dyeing industries. Recognizing the need for women's education, Shri J.K.K. Natarajah, a visionary philanthropist of the area, initiated a girls' school in the town in 1965, four years before the inception of the trust.

The Trust, J.K.K. Rangammal Charitable Trust (Reg No: 33), was established in 1969 with the mission of providing literacy and empowering women, aiming to upgrade the socio-economic status of the community. Following in her father's footsteps, Smt. N. Sendamaraai, Managing Trustee, expanded the service to offer multi-disciplinary education to both genders. Now, under the umbrella of the Trust, there are ten institutions, including Dental, Pharmacy, Nursing, Education, Engineering, Arts, and Science colleges, as well as Government-Aided Girls' School and Matriculation schools.

The Trust actively engages in various social service activities, including health-oriented services like free dental camps, treatments, surgeries, blood donation drives, and motivational and entrepreneurship awareness camps. It also extends its charitable efforts to provide medical support to the impoverished, assist the destitute, offer natural calamity support, grant educational scholarships to underprivileged students, and foster cultural enrichment. A pioneering establishment of the region since its inception, the Trust's grand service to society remains immense, not only in terms of education but also in community welfare.

OUR ENDURING FOUNDERS

SMT.N.SENDAMARAAI

CHAIRPERSON - JKKN EDUCATIONAL INSTITUTIONS

As the Chairperson of JKKN Educational Institutions, I am honoured to shoulder this immense responsibility, and I take great pride in our exceptional progress. We have earned the status of one of the most prestigious colleges in the region. “Leadership and Excellence” is not merely our motto but the foundation of our values, a testament to our state-of-the-art infrastructure and the exceptional quality of our community.

Our institution provides the necessary infrastructure along with a team of qualified and highly motivated faculty all under one roof for the benefit of our students. Beyond offering world-class education, we instil a progressive attitude, fostering innovation for the betterment of society. The synergy of academic excellence and industrial relevance distinguishes JKKN Educational Institutions, setting us apart. I warmly welcome you to our lush, green campus!

OUR ENDURING FOUNDERS

SHRI.S.OMMSHARRAVANA

DIRECTOR - JKKN EDUCATIONAL INSTITUTIONS

I extend my heartfelt congratulations to the college for its fervent and focused dedication to shaping future engineers of distinction. At JKKN, we are committed to innovative education methodologies that enable quality learning, foster independent thinking, and facilitate the development of well-rounded personalities. Our mission empowers students to contribute their best to society and the nation.

Together, we strive to make JKKN a premier temple of learning, guiding and inspiring students in their unique paths. Our aim is to cultivate top-notch professionals who excel in their fields, with their flags of success flying high in this vibrant world of competition.

JKKN COLLEGE OF PHARMACY

VISION

To be a Leading Global Innovative Solutions provider for the ever changing needs of the society

MISSION

Enabling a Platform for all to seize exponential opportunities through bioconvergence, thereby facilitating them to become Dynamic Leaders who shape the future

WHY JKKN?

At JKKN, we stand at the forefront of educational transformation as an "AI Empowered Institution." We believe in a future where artificial intelligence is not merely a subject to be studied, but a dynamic tool that enhances every facet of our students' educational journey. We are unique in our approach to integrating AI across disciplines, preparing students to excel in a digitized world. Our commitment to AI extends into every corner of JKKN, where AI empowers events, vital day celebrations, and projects, fostering an environment where technology celebrates tradition and enriches learning.

OUR JKKN COLLEGE OF PHARMACY

JKKN College of Pharmacy, approved by PCI, New Delhi and affiliated to The Tamil Nadu Dr.M.G.R. Medical University, Guindy, Chennai, has achieved recognition as one of INDIA's TOP 50 Pharmacy Colleges. It earned this distinction in the National Institutional Ranking Framework – 2016 (NIRF), released by the Ministry of Human Resource Development (MHRD) and Govt. of India.

OUR PROGRAMMS

- B.Pharm (Bachelor of Pharmacy)
- B.Pharm (Lateral Entry)
- Pharm.D (Doctor of Pharmacy)
- Pharm.D (Post Baccalaureate)
- M.Pharm (Master of Pharmacy)
 - Department of Pharmaceutics
 - Department of Pharmacology
 - Department of Pharmaceutical Chemistry
 - Department of Pharmaceutical Analysis
 - Department of Pharmacy Practice
- Doctor of Philosophy

DEPARTMENTS

- Department of Pharmaceutics
- Department of Pharmacology
- Department of Pharmaceutical Chemistry
- Department of Pharmaceutical Analysis
- Department of Pharmacy Practice
- Department of Pharmacognosy

DETAILS OF ACADEMIC PROGRAMMS:

B. PHARM (BACHELOR OF PHARMACY)

Duration: 4 Years

Program Overview:

The Bachelor of Pharmacy (B.Pharm) program at JKKN College of Pharmacy provides a comprehensive foundation in pharmaceutical sciences, covering drug discovery, formulation, dosage forms, pharmacology, and therapeutic applications.

Curriculum & Compliance: Designed as per Pharmacy Council of India (PCI) regulations, ensuring a standardized and industry-relevant education.

Hands-on Training: State-of-the-art laboratories, interdisciplinary learning, and research-driven curriculum.

Experienced Faculty & Mentorship: Highly qualified faculty providing academic guidance, practical exposure, and industry insights.

Career Readiness: Strong placement support, preparing students for careers in pharmaceutical industries, research organizations, clinical settings, and regulatory bodies.

DETAILS OF ACADEMIC PROGRAMMS:

Eligibility for admission:

- 1) No candidate shall be allowed to be admitted to the B.Pharmacy degree course until he/she has completed the age of 17 years on or before the 31st December of the academic year in which the candidate is seeking admission.
- 2) Candidates belonging to all categories except Scheduled Caste/ Scheduled Tribes for admission to the B. Pharmacy course must have obtained individual pass marks in Physics, Chemistry & Biology or Botany & Zoology or Mathematics both in theory and practical with a minimum of 35% marks. Not less than 40% aggregate marks in the above subjects is mandatory at the qualifying examination (Academic Stream) after a period of 12 years of study i.e. 10+2 pattern of education.
- 3) Candidates belonging to Scheduled Castes/ Scheduled Tribes must have obtained individual pass marks in Physics, Chemistry, Biology or Botany & Zoology or Mathematics both in theory and practical with a minimum of 35% marks and not less than 35% aggregate marks in the above subjects
- 4) A pass in English with a minimum of 35% marks is mandatory for all categories for admission to the course.
- 5) Candidates who have passed the Senior Secondary School Examination of National open School with a minimum of 5 subjects with any of the following group subjects:
 - a) English, Physics, Chemistry, Botany, Zoology.
 - b) English, Physics, Chemistry, Biology and any other language.

DETAILS OF ACADEMIC PROGRAMMS:

B. PHARMACY – LATERAL ENTRY

Duration: 3 Years

Program Overview:

The B.Pharmacy – Lateral Entry program at JKKN College of Pharmacy is designed for Diploma in Pharmacy (D.Pharm) graduates who seek to advance their knowledge and expertise in pharmaceutical sciences. This program offers direct entry into the second year of the B.Pharm course, enabling students to build upon their foundational skills in drug formulation, pharmacology, and clinical applications.

- Advanced Learning Pathway: Seamless transition from D.Pharm to B.Pharm, covering pharmaceutical chemistry, pharmacokinetics, and regulatory affairs.
- Hands-on Training & Research Exposure: Access to state-of-the-art laboratories, formulation development studies, and industry-oriented projects.
- Industry & Career Readiness: Equips students for careers in pharmaceutical manufacturing, research, clinical pharmacy, and regulatory agencies.
- Expert Faculty & Mentorship: Comprehensive academic support and guidance from experienced pharmacy professionals.

Eligibility Criteria:

- Candidates must have passed the Diploma in Pharmacy (D.Pharm) examination conducted by the Board of Examinations, Government of Tamil Nadu or any other recognized board.
- The qualification must be recognized as equivalent by the Tamilnadu Dr. M.G.R. Medical University or any other approved regulatory authority.

DETAILS OF ACADEMIC PROGRAMMS:

M. PHARM (MASTER OF PHARMACY)

Duration: 2 Years

Specializations Offered:

- Pharmaceutical Chemistry
- Pharmacy Practice
- Pharmaceutical Analysis
- Pharmaceutics
- Pharmacology

Program Overview:

The M.Pharm program at JKKN College of Pharmacy offers advanced, research-oriented education in key pharmaceutical disciplines, ensuring students gain expertise in drug design, formulation techniques, quality control, and regulatory affairs.

- Research-Driven Learning: Strong emphasis on innovation, hands-on training, and interdisciplinary research.
- Industry-Relevant Curriculum: Aligns with PCI guidelines, integrating cutting-edge technologies, analytical instrumentation, and real-world case studies.
- State-of-the-Art Infrastructure: Equipped with modern laboratories, computational drug design tools, and industrial collaborations.
- Faculty Mentorship & Career Development: Enhancing critical thinking, problem-solving, and professional skills, preparing graduates for careers in pharmaceutical research, industry, and academia.

Eligibility for admission:

- Candidates for admission to the first year of the M. Pharmacy Postgraduate degree course shall be required to have passed the B.Pharmacy degree of this University or any other University recognized as equivalent thereto by the authority of this University.

DETAILS OF ACADEMIC PROGRAMMS:

PHARM.D (DOCTOR OF PHARMACY)

Duration: 6 Years (Including 1-Year Internship in a Hospital Setting)

Program Overview:

The Doctor of Pharmacy (Pharm.D) program at JKKN College of Pharmacy is a professional doctoral program that integrates clinical pharmacy, hospital pharmacy, and pharmaceutical sciences to equip students with the expertise required for patient care optimization and drug safety management.

- **Comprehensive Clinical Training:** A one-year hospital internship ensures hands-on experience in patient care, medication therapy management, and clinical research.
- **Core Learning Areas:** Covers formulation development, quality assurance, pharmacotherapeutics, pharmacoepidemiology, and drug safety monitoring.
- **Interdisciplinary & Research-Driven Approach:** Encourages collaborative learning with healthcare professionals, fostering expertise in evidence-based medicine and clinical decision-making.
- **Industry & Healthcare Collaborations:** Exposure to real-world hospital settings, pharmaceutical companies, and regulatory agencies.
- **Faculty Mentorship & Professional Growth:** Strengthens scientific knowledge, clinical skills, and leadership abilities, preparing graduates for careers in healthcare, research, and academia.

DETAILS OF ACADEMIC PROGRAMMS:

Eligibility for admission:

- No candidate shall be allowed to be admitted to the I Pharm.D degree Course until he/she has completed the age of 17 years on or before the 31st December of the academic year in which the candidate is seeking admission.
- Candidates belonging to all categories except Scheduled Caste/ Scheduled Tribes for admission to the Pharm.D degree course must have obtained individual pass marks in Physics, Chemistry & Biology or Botany & Zoology or Mathematics both in theory and practical with a minimum of 35% marks. Not less than 50% aggregate marks in the above subjects is mandatory at the qualifying examination (Academic Stream) after a period of 12 years of study i.e. 10+2 pattern of education.
- Candidates belonging to Scheduled Castes/ Scheduled Tribes must have obtained individual pass marks in Physics, Chemistry, Biology or Botany & Zoology or Mathematics both in theory and practical with a minimum of 35% marks and not less than 40% aggregate marks in the above subjects.
- A pass in English with a minimum of 35% marks is mandatory for all categories for admission to the course

DETAILS OF ACADEMIC PROGRAMMS:

PHARM.D (POST BACCALAUREATE)

Duration: 3 Years

- Phase I: Two years of academic study.
- Phase II: One-year internship/residency training in specialty units as prescribed by Pharmacy Council of India (PCI).

Program Overview:

The AI-Integrated Pharm.D (Post Baccalaureate) program at JKKN College of Pharmacy is designed to bridge the gap between pharmaceutical sciences, clinical practice, and artificial intelligence (AI)-driven healthcare solutions. The program equips students with advanced clinical knowledge, AI-based drug development skills, and patient-centric healthcare expertise.

1. Integration of AI & Healthcare Analytics: Exposure to machine learning applications, AI-driven clinical decision-making, and predictive analytics in pharmacy practice.
2. Industry & Research-Driven Learning: Hands-on experience with clinical trials, hospital pharmacy management, and pharmaceutical AI technologies.
3. Internship & Residency Training: One year of specialty unit rotations in hospitals, focusing on pharmacovigilance, clinical research, and patient care.
4. Expert Mentorship & Interdisciplinary Collaboration: Guidance from pharmacy experts, AI professionals, and healthcare practitioners.
5. Global Career Opportunities: Prepares graduates for careers in clinical pharmacy, hospital administration, AI-driven drug research, and regulatory agencies.

Eligibility Criteria:

- Candidates must have completed a Bachelor's degree in Pharmacy (B.Pharm) from a PCI-approved institution.
- A minimum of 50% aggregate marks in B.Pharm.

DETAILS OF ACADEMIC PROGRAMMS:

Ph.D. (DOCTOR OF PHILOSOPHY)

Duration:

- Full-time: 3 years (as per Tamil Nadu Dr. M.G.R. Medical University guidelines).
- Part-time: 4 years (as per Tamil Nadu Dr. M.G.R. Medical University guidelines).

About the Program:

The Ph.D. program at JKKN College of Pharmacy is a research-driven doctoral course designed to advance knowledge and innovation in pharmaceutical sciences, drug discovery, clinical pharmacy, and regulatory affairs.

- Accreditation & Compliance: The program is aligned with the Pharmacy Council of India (PCI), University Grants Commission (UGC), and Tamil Nadu Dr. M.G.R. Medical University regulations.
- Research Excellence: Scholars engage in cutting-edge research in biopharmaceutics, pharmacokinetics, and advanced analytical techniques, contributing to scientific and industrial advancements.
- State-of-the-Art Facilities: Equipped with advanced laboratories, high-tech research instruments, and interdisciplinary collaboration opportunities.
- Publication & Patents: The program emphasizes research publications, patents, and industry-driven projects, fostering intellectual property development.
- Career Prospects: Graduates are prepared for leadership roles in academia, pharmaceutical industries, clinical research organizations, and regulatory agencies.
- Global Collaborations: The dynamic research environment and international partnerships promote scientific excellence and innovation.

ADMISSION PROCESS

For B. Pharm / B. Pharm (L.E)/ M.Pharm/ Pharm.D

- The admission process is governed by the guidelines of the Tamil Nadu Government.
- Fee structures for various courses are transparently available in the prospectus and on the official College Website: <https://pharmacy.jkkn.ac.in/#>
- Admission procedures commence after the announcement of 12th standard results, through advertisements and distribution of pamphlets and notices.
- Students are required to fill out the application form and consult with the concerned branch expert or HOD for further procedures.
- An Admission Committee will provide guidance and advice regarding the admission process.
- The committee will screen and scrutinize applications, with selection based on merit and the roster method.
- Eligible candidates recommended by the Admission Committee and the Principal will be granted admission.
- A single application form is issued with options for various courses, requiring at least two contact numbers.

For B. Pharm Lateral Entry, candidates holding a Diploma in Pharmacy are eligible for enrolling from 2nd Year as Lateral entry.

ADMISSION PROCESS

Required Documents (Enclosures)

Photocopies of the following documents must be submitted along with the completed application:

- a. Qualifying Examination Mark Sheet/Provisional Mark Sheet (attested by the School Headmaster).
- b. Community Certificate (if applicable).
- c. Proof of eligibility under special quotas (Differently Abled, Sports, NCC, Ex-Servicemen, etc.).
- d. Transfer Certificate.
- e. Eligibility Certificate (for students from other states/universities).

All documents should be presented upon demand during admission. If any document is not readily available, grace time may be granted with the principal's consent. Failure to submit required documents may result in admission cancellation.

- Application Form Cost: ₹1000/- for all candidates.
- Application forms are issued five days before the announcement of Higher Secondary Examination results in Tamil Nadu.
- The last date for issuing and receiving application forms is determined by the principal, but generally, applications will be accepted even after the last date as "Late Applications" and considered only if seats remain available.
- In the case of SC/ST/MBC/BC candidates, late applications will be considered if reserved seats are unfilled

ADMISSION PROCESS

For M. Pharm / Pharm. D (PB)

1. Application Form Cost: ₹1000/- Concessions apply for SC/ST candidates upon producing a photocopy of their community certificate.
- 2.b) To be eligible for PG courses, candidates must have passed a four-year B.Pharm degree (under the 10+2+2/3 pattern) recognized by the University or its equivalent.
- 3.c) The Admission Committee will determine the last date for receiving filled-in applications after the announcement of UG results by the respective Universities.
- 4.d) Under no circumstances should the admission list be published before the last date for receiving completed applications

Registers to be Maintained (PG Admissions)

The following registers and documents must be maintained and preserved:

- A. Sale of Application Forms.
- B. List of Applications received before the last date.
- C. List of Applications received after the last date.
- D. Rank list registers signed by the Selection Committee members.
- E. Information regarding counselling dates.
- F. Copies of displayed Rank Lists.
- G. Minutes of Selection Committee meetings.
- H. Admission Register.
- I. Communication with the University/Director of Collegiate Education related to admissions.
- J. Registers for applications from SC/ST/MBC/DNC/BC students, along with the number admitted per course.
- K. Government guidelines will also apply to any additional increased seats.

FEES STRUCTURE

TUTION FEE DETILS

COURSE	Mgmt quota (Rs)	Govt quota (Rs)
B. Pharm	140000	120000
B. Pharm (LE)	120000	100000

Accreditations and Recognitions

NAAC A Grade Accreditation

JKKN College of Pharmacy is proud to be accredited with an A Grade by the National Assessment and Accreditation Council (NAAC). This prestigious recognition reflects our commitment to academic excellence, quality infrastructure, and student-centric learning environment. NAAC accreditation ensures that we meet the highest standards of education and continuously strive for improvement.

AFFILIATED WITH

Community Engagement and Environmental Initiative

Green Campus Initiative

As part of our commitment to environmental sustainability, JKKN College of Pharmacy has organized numerous tree planting drives on campus and in nearby communities. These activities aim to increase green cover, combat climate change, and raise awareness about the importance of environmental conservation.

Blood Donation Camps

JKKN College of Pharmacy regularly organizes blood donation camps in collaboration with hospitals, NGOs, and blood banks. These camps provide students and faculty with an opportunity to contribute to a noble cause and save lives.

Cultural Activities

JKKN College of Pharmacy celebrates the rich cultural diversity of its students through a variety of cultural events and activities. These events provide a platform for students to express their creativity and connect with their roots.

CULTURAL EVENTS

Pongal Celebration

Pongal, the harvest festival of Tamil Nadu, is celebrated with great enthusiasm at JKKN College of Pharmacy. This four-day festival marks the beginning of the harvest season and is a time for gratitude, joy, and community bonding.

Onam Celebration

Onam, the harvest festival of Kerala, is celebrated with equal fervor at JKKN College of Pharmacy. This ten-day festival commemorates the homecoming of King Mahabali and is a time for joy, unity, and cultural expression.

Sports Activities

At JKKN College of Pharmacy, we believe in nurturing not just academic excellence but also the overall development of our students. Our campus is a hub of sports and cultural activities, providing students with opportunities to explore their talents, build teamwork, and celebrate diversity. These activities create a vibrant and dynamic environment that enriches the student experience.

Prizes and Awards

We recognize and reward students who have excelled in academics, research, leadership, and extracurricular activities. These awards motivate students to strive for excellence and inspire their peers to follow in their footsteps.

Graduation Ceremony

The graduation ceremony at JKKN College of Pharmacy is a grand and memorable event that brings together students, faculty, parents, and distinguished guests to celebrate the achievements of our graduating class.

VALUE ADD ON COURSES

- AI Tools
- Content Creation
- Design Thinking
- First Aid and Emergency Response
- Health and wellness
- Public Speaking and Communication

Alumni Association

The Alumni Association is a vibrant and active network of graduates who have gone on to achieve remarkable success in the pharmaceutical industry, healthcare sector, and academia. Our alumni are our pride, and their accomplishments reflect the quality of education and values instilled at our institution. The Alumni Association serves as a bridge between past and present students, fostering lifelong connections and creating opportunities for mentorship, collaboration, and professional growth.

The Placement and Training Cell showcases our strategic emphasis on student development and career readiness. Leveraging dynamic Industry Collaborations, we have enriched academic learning with real-world experiences through internships, expert lectures, and industrial visits. The Alumni Insight Program provides essential industry knowledge and networking opportunities, enhancing students' employment prospects with alumni guidance. These efforts reflect our dedication to shaping industry-prepared professionals, as evidenced by our successful placement season and the varied career trajectories of our graduates.

OUR INSTITUTIONS

- JKKN College of Pharmacy
 - JKKN Dental College and Hospital
 - JKKN College Of Allied Health Science
 - Sresakthimayeil Institute of Nursing and Research
 - JKKN College of Engineering and Technology
 - JKKN College of Arts and Science
 - JKKN College of Education
 - JKKN Matriculation Higher Secondary School
 - Nattraja Vidhyalya
- At JKKN Institutions, our core teaching objective is to empower students with technical knowledge and essential skills to meet the growing challenges of today's competitive world. We implement cutting-edge teaching practices, laying a robust foundation for holistic education.
 - Our state-of-the-art campus features meticulously designed academic blocks, advanced laboratory facilities, operation centers, knowledge-rich libraries, and comprehensive sports infrastructure. We also provide separate accommodations for boys and girls, as well as general and dental hospitals for healthcare services and practices. Our proactive Placement Cell assures successful placement opportunities for all our students.
 - With contemporary facilities designed for the continuous enhancement of both students and faculty, we maintain tie-ups with leading manufacturing and commercial enterprises. These connections facilitate valuable industrial and corporate exposure, aligning our educational experiences with real-world applications.
 - Situated at Komarapalayam, just 15 km from Erode City in Tamil Nadu, India, we are easily accessible via Erode railway station and Salem/Coimbatore airports.
 - JKKN Institutions are home to some of the region's leading institutes of higher learning. We foster a culture that emphasises commitment, transparency, and teamwork. Our continuing success is marked by our reputation as a knowledge center, generating and nurturing exceptional levels of opportunity and initiative.
